PSE OPTIMA BOW SYSTEM

The Optima Bow System is designed to meet the needs of archers of any age.

Two different risers can be matched with two sets of limbs, so the bow system grows with the archer! Features include: Precision-machined aluminum riser • Two riser models • Three length configurations: 56", 62", and 66".

OPTIMA 56 (ARCHERS 6-9 YEARS OLD)

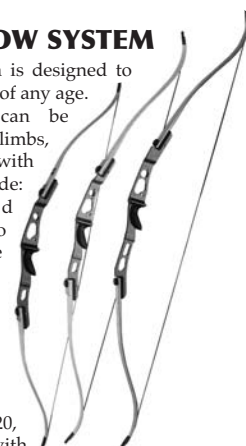

56" limb system • 15, 20, 25#. Young archers start with the Optima Short riser and the short limb system.

OPTIMA 62 (ARCHERS 10-14 YEARS OLD)

62" limb system • 20, 25, 30#. As the archer grows, simply replace the short limb system with the long limb system using the same short riser as the Optima 56!

OPTIMA 66 (ARCHERS 15 YEARS TO ADULT)

66" limb system • 25, 30, 35#. The older archer is ready for the Optima 66 with its longer riser and long limbs (the same limbs used for the Optima 62).

PRIMOS IMAKA DA BULLCRAZY

You probably thought that we had lost our minds when you read the name of this call for the first time. We named it "IMAKA DA BULLCRAZY™" because the call was so effective during the trail period for our 06 elk season. More than once we said, "Make Him Crazy", which is meant, "Get on that Call", Pinch, squeeze, and manipulate the bell to vary the pitch of the call so you can sound like multiple cow elk. This call gives you that sliding cow elk language that says "I'm The Real Thing". The IMAKA DA BULLCRAZY™ comes with an orange mouthpiece for normal or close in calling.
